Relevant Rules and Information

- In your captain packets, you will find your MOST RECENT team schedule and championship procedures. Please read over and be familiar with the championship procedures including our rainout policy.
- All teams should arrive to their site 30 minutes prior to match time ready to play.
- Scorecards for each match are in your packet. Print names clearly (both first and last name). Home team is on the left side, and visitor is on the right side. Names must be same as on official roster in TennisLink. We must be able to read your scorecard, as it will be used to enter results into TennisLink. Our staff will be inputting results into TennisLink after each round. DO NOT complete scorecards ahead of time. If you turn in a wrong scorecard, we cannot give it back.
- Site Directors will pre-assign courts for each team match and will introduce each player to their opponents, so it's very important to have all players ready when your team is called.

SOUTHERN

- Staying on schedule is contingent on getting players on and off the court as quickly as possible. Therefore, one person from each team is to report scores to the tournament desk immediately after each individual match. At the end of the team match, both captains report to site desk, review scores and sign scorecard.
- Do not bring alcohol to sites. If you can drink it there, it will be either provided or sold on site. If this rule is not followed, a grievance may be filed against a player(s).
- The Southern Combo Doubles championship is the highest level of championship for Combo Doubles, so congratulations for teams advancing to the highest level of competition.
- Teams are expected to complete all individual courts/matches scheduled. A grievance may be filed against any team defaulting individual courts and/or an entire team match.
- Rain Delay #: CAPTAINS ONLY: **888-434-0998**. There may be some threats of rain throughout the tournament, and we will make sure we update the hotline as soon as possible. Captains should check this hotline an hour prior to their scheduled matches for all updates. Even if it's not raining at the hotel, I would encourage you to still call the rain hotline number, as it may be raining at the tennis center.
- Text Alert #: Players can text **COMBO1840** to the phone number 84483. Signing up for this text service will allow players to receive any updates (by text) regarding the tournament.

Reminders from the Referee

- Cell Phone/Pager warning: This is your official warning. Please make sure all players have their cell phone and pager off or on vibrate. If a cell phone or pager goes off in the middle of a point, the opponent may claim the point.
- Scoring Format: All matches will be the best 2-out-of-3 sets with a 10-point match tiebreak in lieu of a full 3rd set. The Coman Tiebreak Procedure will be used for all tiebreaks (including the 10-point match tiebreak).
- Changeovers: The rest time for all changeovers is 90 seconds, except between sets which is limited to 2 minutes.
- Warm-Ups: Players are limited to a 10-minute warm-up prior to match play. If players exceed the 10 minutes, the players may be told to play regardless of where they are in warm-up, so it's important to stay within time on your warm-up.
- Medical Time-Outs: The player in need of the medical time-out should not leave the court. Immediately send someone not involved in the match to get a referee. All medical time-outs will be addressed in compliance with "Friend at Court."
- Bathroom Breaks: A player can take a bathroom break at any time but players should try to take breaks during changeovers or between sets.

SOUTHERN

- Rain Procedures: If there is a rain delay, players are not permitted to leave the tennis center unless otherwise released by the Tournament Director and/or Tournament Referee. If pulled from the courts due to rain, players must report their match scores in progress to the site coordinator.
- Point Penalty System (PPS): The PPS will be enforced. If a player is :01 to 5:00 minutes late, it is a loss of toss and 1 game for that player. If a player is 5:01 to 10:00 minutes late, it is a loss of toss and 2 games for that player. If a player is 10:01 to 15:00 minutes late, it is a loss of toss and 3 games for that player. If a player is 15:01 minutes late, it is a default. The Championship Referee is responsible for issuing defaults for failure to arrive on time.
- Note: Matches are un-officiated and all issues should be resolved on the court by the players involved. The Championship Referee should only be requested if all players on court cannot resolve the problem on their own and if requested by the players on court.
